## PROFILE

Hardworking student with a huge amount of enthusiasm towards the video game industry. My dream goal in life is to become a Game Developer for Rare working closely on Sea of Thieves and other future titles the company will release.

Currently in my second year of university studying computer games programming. Alongside studies, I am competing as part of the University of Gloucestershire basketball team, competing in both local and national leagues. As a result, I have developed great teamwork skills and focused commitment. Seeking an internship position this summer.

## WORK HISTORY

### Cleaner, Approved Cleaning Services. Caerphilly, Wales

Sep 2021 - Sep 2023

During this employment I gained some valuable skills.

Being a cleaner gave me a good eye for detail and the ability to manage my time while working independently. It also gave me the vital skill of dedication and showed me how commitment is key to any job role.

Whilst at this cleaning job I learnt how to clean commercially and to a standard that customers expect.

### Kitchen Associate, J D Wetherspoon PLC. Cheltenham, Gloucestershire

Sep 2023 - Current

During this employment I have been shown the importance of teamwork, communication and being hardworking and highly motivated.

## DofE

The voluntary section allowed me to experience working in a shop and get experience with a customer facing role. I also led a badminton club for the younger pupils at my secondary school, this enhanced my leadership and planning skills. Throughout the process of the DofE I gained many useful life skills, which include the ability to read a map and give first aid.

## VOLUNTARY WORK

### Shaw Trust Charity Shop. Caerphilly, Wales

May – Sep 2019

During my voluntary work at this charity shop I had many responsibilities these included shop floor and stock room. During my shop floor role, I learned the importance of good customer service and value of interpersonal skills. Whilst working in the stock room I gained a good understanding of organisation of stock within a confined space and developed my personal time management.
